**DECLARATION OF COMPLIANCE TO Article 5(5) of the PPWR**

To Whom It May Concern:

As a manufacturer and an importer of Self-Adhesive Tapes, DAVIK is committed to ensuring product safety and environmental compliance. Based on thorough evaluation of our manufacturing processes and information received from our raw material suppliers and to the best of our knowledge:

We hereby declare that all our packaging complies with the requirements of Article 5 of the Packaging and Packaging Waste Regulation (PPWR), specifically:

- **Hazardous Substances Art. 5(1):** The presence and concentration of hazardous substances in the packaging material and its components are minimized, including with regard to their presence in emissions and any outcomes of waste management.
- **Heavy Metals Art. 5(2):** The sum of concentration levels of lead, cadmium, mercury, and hexavalent chromium present in the packaging or packaging components does not exceed **100 mg/kg**.
- **PFAS Restriction Art. 5(5):** For food contact packaging, the packaging does not exceed the following limit values for per- and polyfluoroalkyl substances (PFAS):

**25 ppb** for any PFAS measured with targeted analysis.

**250 ppb** for the sum of PFAS measured with targeted analysis.

**50 ppm** for PFAS (total fluorine)

This declaration reflects our current knowledge and commitment to environmental responsibility. We will promptly inform our customers of any changes that might affect this declaration.
